GLASS GAZING GLOBE STAND

Please read this manual carefully before use and save it for future reference.

CHOOSING A LOCATION

Always place the stand in a secure location where it will not fall on a hard surface as that may cause it to break. Ensure the stand can support the size and weight of the gazing globe you are placing on the stand.

CLEANING

1. Gently clean the outside of the gazing globe stand with mild detergent, water, and a soft cloth.
2. Rinse thoroughly and gently wipe dry with a soft towel.

SAFETY STATEMENTS & WARNINGS

- Do not use harsh chemicals or abrasive materials or chemicals to clean the gazing globe stand.
- Store indoors during high winds and during freezing temperatures; allowing the glass to freeze may cause it to crack or break.

Any modification to the product or failure to follow recommended care will void the product warranty.

If the product was damaged during transit, please contact our customer service team through one of the methods mentioned at the top of page 1. Please have the item number and order information ready to expedite response time.
